

## Background

After 10 years, LendersAid has established a system that has allowed us to grow our business significantly. We take pride in offering an exceptional, convenient and stress-free experience to all customers and clients, which sets us apart from the competition. LendersAid has put together a franchise system that's designed to provide a significant edge in the appraisal market, and allows you to create a level of satisfaction for all your clients needs.

## LendersAid wants to know...

*Are you ready to take your appraisal business to the next level?*

*Would you like your business to have all the proper supports in place?*

*Do you want to possibly reduce your risks during an unpredictable time in the mortgage industry?*

If yes, yes, and yes, then contact LendersAid today to accomplish all these things.

Today's Independent Appraisers can't afford not to.

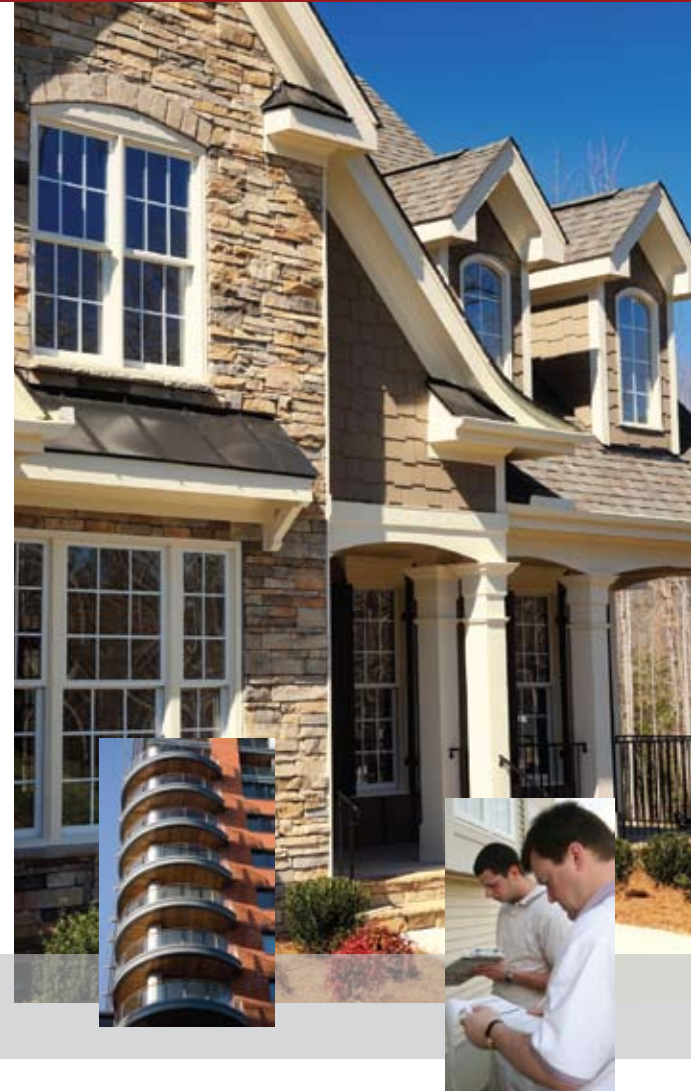

### General Overview

LendersAid will provide you with the tools and support necessary to take your business to the next level, which typically would be difficult to achieve on your own. Our Franchise opportunity caters to the Appraiser. Appraisal Management Companies are the future of the industry, so this could be one of the fastest growing franchise prospects in commerce. If you're an Appraiser or run a small to mid-size Appraisal Company, don't miss out. Or, if you're thinking about getting into the appraisal business, now is the time.

New laws and the volatile real estate market have changed the Appraisal industry. Appraisal Management Companies have become necessary to help regulate the appraisal process. In our ten years of operation, we've refined our business system into a finely-tuned vehicle, geared towards total client satisfaction. It's designed to give LendersAid Nationwide a significant competitive edge in our market. All Independent Appraisers and small to mid-size Appraisal Companies should inquire within. This is your chance to become a Nationwide Appraisal Management Company. It's truly a win-win situation.
